Just Roy and Pat turned up for the third race at Cader Idris with support from Sue Davies , John and Lesley Keyworth.

Next race in the series is **'The Beast'** – sounds good, eh? 4.5 miles 1500 ft climb. It's on Tuesday, June 15<sup>th</sup> (my birthday!) at 7.15pm from the Miners Arms at Maeshafn (just before Loggerheads) A club night anyway –so why not have it there? Good warm up for the Tough Team.

Travel arrangements closer to the time – look out on the Pensby Forum accessed from the news page of the website and follow the 'fell race' thread.
